The Benefits of Electronic Giving

It's timely.

By setting up a recurring contribution that is scheduled to come out of your account on the day you specify, you establish your gift to God as a priority in your budget. You can even give on days besides Sundays. You can choose to give on Holy Days of Obligations and for other Parish activities like our Hands of Christ and Building and Maintenance Funds.

It's simple.

You will not need to remember if you gave this month or to send in your offering check when you are out of town. You can call the office anytime with changes.

It's secure.

An electronic gift cannot be lost or stolen.

There are no distractions.

Instead of remembering to write your contribution check and bring it to church with you, you can be assured that your gift has already been processed..

It benefits the Church and the people we serve.

Electronic giving saves the Church time and money. It saves the Church money by reducing the number of envelopes that are mailed out. It saves the Church time due to the reduction of envelopes needing to be counted by our weekly volunteer team.

Enjoy the convenience of electronic giving.

Our church offers electronic giving, which allows you to make donations on a scheduled, automatic basis. If you are writing checks and preparing envelopes every week, you will especially appreciate electronic giving. It is convenient for you and provides much-needed donation consistency for our church.

How to get started.

Electronic contributions can be made by using a checking or savings account.

Fill out the back of this form and return it to the Parish office with a voided check or deposit slip.

You can also put it in an envelope marked "EFT" and drop it in the collection basket.
